

SHALER AREA SLOW PITCH SOFTBALL CLUB

Dear Sponsor,

Shaler Area Slow Pitch Softball Club (SASPSC) is entering its 7th season in 2020. Our organization was granted club sport status within the Shaler Area School District in 2014. During our first season as a club sport we spent numerous volunteer hours trying to become incorporated and set the club afloat to embark on a journey that will provide a means for additional junior high and high school student athletes to be recognized for their athletic achievements that would otherwise go unnoticed. During our 1st Club year, we afforded 43 student athletes the opportunity to gain knowledge and fundamental skills necessary not only for softball, but for personal development. These student athletes represented Shaler Area School District demonstrating superior teamwork, dedication, and personal accountability both on the field of play and in the classroom. While we may be a club sport, we are held to the same standards as all school sports. That brings us to the reason behind our request for sponsorship. While our club is held to the same standards as all other high school sports teams, we do not receive any financial support from the school district. Our coaches are all volunteers, our equipment is all owned by individuals and our expenses make playing a club sport expensive. Your help and financial support will be a major reason why our club will be successful for generations to come. Thanks to generous sponsors like you, SASPSC will be able to provide new equipment for the club, reduce personal charges associated with the cost for insurance, uniforms, umpires, and season end awards and a banquet. We believe that SASPSC fosters a respectful attitude for winning while maturing our players into young leaders. We welcome your questions and greatly appreciate your sponsorship in our organization.

If you would like to support our organization in other ways, please contact a board member listed below. Any donation amount would be a tremendous help to our organization.

On behalf of the Executive Board and the SASPSC family we would like to thank you for your support. Please feel to call us if you have any questions regarding your sponsorship.

Thank you,
